AUTHORS

Ackerman WE, Juneja, Spinnato JA
Epidural opioids' ob advantages. 68-74, Mar, oa
Adashi EY see **Katz E**
Amon E see **Chez RA**
Amstey MS
Gonorrhea treatment. 117, Aug, et
Parasitic infections in pregnancy. 31-38, Feb, oa
Use of corticosteroids for septic shock. 153-156, Jun, et
Anderson F
How GnRH agonists facilitate fibroid surgery. 55-65, Aug, oa
Treating uterine fibroids with GnRH agonists. 62-75, Jul, oa
Apuzzio JJ, Hoegsberg B
PID: hard to find, but essential to treat. 23-35, Nov, oa
Averette HE see **Nguyen HN**
Azziz R
Treating hirsutism with GnRH agonists. 33-48, Jun, oa
Bachus KE, Walmer DK
Superovulation and washed intrauterine insemination. 77-90, Jul, oa
Baggish MS see **Richart R**
Baggish MS see **Richart RM**
Baker DA
Hepatitis B infection. 74-79, Apr, oa
Baker VV
Therapeutic strategies using proto-oncogenes. 71-80, Sep, oa
Ballad R
Malpractice. 11-23, Jan; 126-138, Feb; 134-148, Mar; 130-135, Apr; 197-202, May; 158-164, Jun; 98-109, Jul; 30-136, Aug; 139-145, Sep; 136-142, Oct; 146-150, Nov; 142, Dec, mu
National Practitioners' Data Bank: functioning at last. 89-108, Jan, oa
Bast RC see **Berchuck A**
Bechtel SD see **Stampfer MJ**
Bent AE
Urethrocystoscopy and the gynecologist. 40-51, O92, oa
Berchuck A, Bast RC
Overexpression of HER-2/neu in gyn cancer. 25-38, Mar, oa
Bergman A
Recurring incontinence. 79-81, O92, oa
Berkeley AB
Septic pelvic thrombophlebitis. 109-113, May, oa
Berkowitz RL
Selective termination of abnormal fetus in multiple pregnancy. 73-81, May, oa
Birnbaum MD
New clinical lab regulations. 117, Aug, et
Blumenthal PD see **Cullins VE**
Bobitt JR
Group B streptococcal infections in pregnancy. 116-120, Apr, oa
Bolke GM
Surgical prevention of ovarian cancer. 66-78, Aug, oa
Bowdler N, Galask RP
Managing donovanosis. 130-136, Sep, oa
Boyce JG, Fruchter RG
Lengthening the interval between Pap smears. 82-101, Sep, oa
Bresette JF see **Tarkington MA**
Buls JG see **Orrom WJ**
Burton BK
Interpreting abnormal MSAFP levels. 13-21, Nov, gp
Campion MJ see **Richart RM**
Campion MJ see **Richart R**
Canick JA, Knight GJ
Multiple-marker screening for fetal Down syndrome. 25-42, Apr, oa
Carlson NJ see **Gabbe SG**
Carr SR, Coustan DR
What's the latest in glucose monitors. 9-22, A92, oa
Caspi E see **Golan A**
Catanzarite VA, Maida CS
Practical sonography—what you should see before 20 weeks. 44-68, Sep, oa
Chervenak FA, McCullough LB
Fetus as patient: an ethical concept. 11-22, Oct, oa
Chez RA, Amon E, Garite TJ, Parsons M
Defining indications for amnioinfusion. 84-104, Oct, sy
Chez RA see **Escamilla JO**
Chez RA see **Smith RP**
Cholhan HJ
Urodynamic studies: when, what, and why. 25-29, O92, oa
Cohen NH see **Polez TE**
Coustan DE see **Gabbe SG**
Coustan DR see **Carr SR**
Cox SM
Pyelonephritis. 117-123, May, oa
Cullins VE, Remsburg RE, Blumenthal PD, Huggins RG
Norplant: welcome new contraceptive option. 46-60, Jul, oa
Davis A see **Speroff L**
Delfs ER
Treating genital warts properly. 131, Mar, et
Dinsmoor MJ
Ophthalmia neonatorum. 112-114, Apr, oa
Donato DM
Advanced laparoscopic techniques in gynecologic oncology. 103-118, Sep, oa
Laparoscopic devices. Author's reply. 9, Dec, et
Dorr FA
Node-negative breast cancer patients—a growing group. 25-30, Oct, oa
Dotters DJ, Droegemueller W
Diaphragm catheters for vesicovaginal fistula management. 45-46, A92, oa
Droegemueller W see **Dotters DJ**
Edelman DA see **Van Os WAA**
Elliott JP
Amniocentesis for twin-twin transfusion syndrome. 30-47, Aug, oa
Escamilla JO, Chez RA
When a patient requires postpartum uterine packing. 42-43, Jul, cd
Eschenbach DA, Mead PB
Vaginitis update. 54-70, Dec, oa
Eschenbach DA see **Mead PB**
Fejgin MD
Single umbilical artery. 9, Dec, et
Ferenczy AS see **Richart RM**
Ferenczy AS see **Richart R**
Flamm BL
C/S rate rises. Author's reply. 150, Feb, et
Fonteyn V
Absorbable stapler. 114, Jan, et
Fruchter RG see **Boyce JG**
Gabbe SG, Carlson NJ, Goldstein SR, Coustan DE
Fifth annual COG author awards presented. 13, Jun, aa
Galask RP see **Bowdler N**
Garite TJ see **Chez RA**
Gibbons WE
Evaluating studies linking HRT and breast Ca. 127-136, Jun, oa
Gilbert RN see **Tarkington MA**
Gilstrap III LC, Wendel Jr GD
Syphilis rise calls for accurate diagnosis. 56-60, Mar, oa
Gimovsky ML, Petrie RA
Breech presentation: alternatives to routine C/S. 35-48, Jan, oa
Golan A, Caspi E
Congenital anomalies of the müllerian tract. 39-55, Feb, oa
Goldstein SR
How ultrasound enhances the bimanual exam. 102-119, Feb, oa
Gonik B see **Jacobson RL**
Gray RH see **Zacur HA**
Gropper MA see **Polez TE**
Hager WD see **Miller RD**
Hammond KR, Steinkampf MP
Assessing ovulatory function. 29-42, Sep, oa
Hayashi RH
Correct responses to respiratory emergencies. 75-90, Feb, oa
What to do in a blood pressure emergency. 50-69, Jan, oa
Hillard PJA
Does your patient have an eating disorder? 59-72, Apr, oa
Hindle WH
Aspiration of a persistent palpable mass. 49-52, Aug, oa
Hirsch HA
Candidal vaginal infections. 111-114, Aug, oa
Hoegsberg B see **Apuzzio JJ**
Horbach NS
Genuine SUI: best surgical approach. 53-61, O92, oa
Huggins RG see **Cullins VE**
Hulka B, Lindsay R, Speroff L, Stampfer MJ
Hormone replacement therapy: what risks? 90-130, Nov, sy
Hung T see **Nguyen HN**
Hunter, DJ see **Stampfer MJ**
Ismail MA
Pediculosis pubis. 110-115, Oct, oa
Scabies. 107-110, Oct, oa
Jacobson RL, Gonik B
Antiendotoxin: what role in ob-gyn? 12-23, Dec, oa
Johns A
Laparoscopic devices. 9, Dec, et
Jones KP see **Speroff L**
Jordan VC
Benefits and risks of long-term tamoxifen. 37-48, Nov, oa
Juneja see **Ackerman WE**
Katz E, Adashi EY
Choosing vaginal bromocriptine for hyperprolactinemia. 39-54, Mar, oa
How growth hormone may enhance ovulation induction. 12-28, Feb, oa
Kaunitz AM
Guiding adolescents in proper contraceptive use. 15-33, May, oa
Klinger KW
In situ hybridization for prenatal diagnosis. 76-93, Jun, oa
Knight GJ see **Canick JA**
Kochenour NK
Medication in pregnancy: minimize the risks. 59-67, Feb, oa
Kramer BS
Breast cancer control: methodologic difficulties analyzing costs. 35-53, Dec, oa
Kreutner AK
Postabortal infections. 142-144, Nov, oa
Leader S
Utilization review: what's the impact on ob-gyn practice? 61-67, Jun, oa
Lewis GDA
Colpotomy vs. laparoscopy. 204, May, et
Lewis SH, Richart RM
What caused the white nodule? Diagnosis: placental embryologic remnants. 73-81, Jan, pq
Lindsay R see **Hulka B**
Ling FW see **Stovall TG**
Livornese G
C/S rate rises. 150, Feb, et
Lynch L
Twins in older women: amniocentesis detects Down syndrome. 33-44, Oct, oa
MacGregor D
News. 146-150, Sep; 126-135, Oct; 153-161, Nov; 122-127, Dec, nl
Machol L
News. 117-118, Jan; 121-125, Feb; 151-170, Mar; 136-143, Apr; 136-143, A92; 208-210, May; 68-142, Jun; 110-122, Jul; 119-129, Aug, nl
Madinger NE, McGregor JA
Varicella during pregnancy. 83-88, Jan, oa
Maida CS see **Catanzarite VA**
Malinak LR
Comparing depot and intranasal GnRH agonists. 77-94, Mar, oa
Marchant DJ
Conservative or radical treatment for cancer? 65-71, J92, oa
Mattison DR
Minimizing toxic hazards to fetal health. 81-100, Aug, oa
McCormack WM
Genital mycoplasmas. 63-66, Mar, oa
McCullough LB see **Chervenak FA**

McMillan JA
Roseola in infants linked to maternal HHV-6. 46-58, Oct, oa
Why TORCH no longer sheds light. 83-88, Nov, oa
Mead PB, Eschenbach DA
Vaginitis: varying management appropriately. 25-32, Jan, oa
Mead PB see **Yonekura ML**
Mead PB see **Eschenbach DA**
Merkatz R
Gel-filled breast implants: an update. 31-41, Jul, oa
Miller RD, Hager WD
Mumps in pregnancy. 87-88, Dec, oa
Minkoff HL
Putting AIDS into perspective: Author's reply. 111, Jan, et
Mishell DR
New and better methods of contraception. 15-26, Sep, oa
Monif GRG
Abscesses occurring after acute salpingitis. 55-59, Jun, oa
Morales WJ
Gonococcal infections in pregnancy. 93-96, Jul, oa
Nageotte MP
Safeguarding the fetus with amnioinfusion. 95-100, Jun, oa
Nelson AL
Teenage sex. 117, Aug, et
Nelson L, Ward K
Prenatal diagnosis and counseling for hemophilia A and B. 13-19, Aug, gp
Nezhat C see **Nezhat F**
Nezhat F, Nezhat C
Setup for operative laparoscopy and videolaseroscopy. 49-64, A92, oa
Nguyen HN
Steroid receptor assays. Author's reply. 122-122, Oct, et
Nguyen HN, Hung T, Averette HE
Steroid receptors: what gyn surgeons need to know. 103-122, Jun, oa
Norton PA
Nonsurgical management of stress urinary incontinence. 63-78, O92, oa
Orrom WJ, Buls JG
Diagnosis and management of rectovaginal fistulas. 51-66, Nov, oa
Osborne NG
Mucopurulent cervicitis. 103-108, Aug, oa
Parsons CL
Interstitial cystitis: what options? 23-28, Aug, oa
Parsons M see **Chez RA**
Patsner B
Treating genital warts properly. Author's reply. 131, Mar, et
Tumor markers in uterine malignancies: current concepts. 121-129, Sep, oa

SUBJECTS

ABNORMALITIES
Abnormal neonatal screens mandate prompt therapy. 209, May, nl
Amniocentesis for twin-twin transfusion syndrome. 44, Aug, oa
Challenge of twin-twin transfusion syndrome. 83-104, May, oa
Children born with rudimentary brain in southern US. 137, Mar, mu
Congenital anomalies of the mullerian tract. 39-55, Feb, oa
Decline in spina bifida rates. 152, Nov, nl
Early amniocentesis—how feasible? 29-30, Jun, gp
How Lyme disease proceeds in pregnancy. 122, Mar, oa
How to assess single umbilical artery. 61-66, Oct, oa
In situ hybridization for prenatal diagnosis. 76-93, Jun, oa
Interpreting abnormal MSAFP levels. 13-21, Nov, gp
Medication in pregnancy: minimize the risks. 59-67, Feb, oa
Minimizing toxic hazards to fetal health. 81-100, Aug, oa
Mumps in pregnancy. 88, Dec, oa
Practical sonography—what you should see before 20 weeks. 44-68, Sep, oa
Screening for fragile X syndrome. 132, Oct, nl
Selective termination of abnormal fetus in multiple pregnancy. 73-81, May, oa
Single umbilical artery. 9, Dec, et
Single umbilical artery. Author's reply. 9, Dec, et
Twins in older women: amniocentesis detects Down syndrome. 36-44, Oct, oa
Varicella in pregnant women, their fetuses, and newborns. 124-127, Dec, nl
ABORTION
Abortion services' access in US. 151, Mar, nl
Chipping at Roe v Wade. 158, Jun, mu
Contraception during lactation. 22, Jul, oa
Depo-Testadiol administered to pregnant patient. 98-100, Jul, mu
Guiding adolescents in proper contraceptive use. 15, 16, May, oa
Hospital barred from terminating pregnancy. 202, May, mu
Louisiana abortion law held unconstitutional. 146, Nov, mu
News. 122-127, Dec, nl

EDITORIAL INDEX

Physician in abortion case still at work. 16-23, Jan, mu
Postabortal infections. 142-144, Nov, oa
RU 486 in Britain: safe and effective. 143, A92, nl
RU486 as morning-after pill. 122-127, Dec, nl
Selective termination of abnormal fetus in multiple pregnancy. 73-81, May, oa
Some new approaches to ectopic pregnancy. 41, May, oa
Wrongful-birth suit rejected. 161-162, Jun, mu

ABORTION, SPONTANEOUS
Congenital anomalies of the mullerian tract. 39, 46-53, Feb, oa
Decision rests on failure to submit affidavits. 142, Dec, mu
IUDS: what are the pros and cons? 68-74, Nov, oa
Mumps in pregnancy. 88, Dec, oa

ABSCESS
Abscesses occurring after acute salpingitis. 55-59, Jun, oa

ACIDOSIS
Clinical approach to IUGR. 32, 41, A92, oa

ACYCLOVIR
Identifying herpes during pregnancy. 122, Aug, nl
Neonatal HSV infection vidarabine vs acyclovir. 156, Mar, nl
Risk for genital herpes and HIV is higher in women. 116-118, Jul, nl
Varicella during pregnancy. 85, 86, Jan, oa

ADENOCARCINOMA
Tumor markers in uterine malignancies: current concepts. 121-129, Sep, oa

ADNEXA UTERI
Large left adnexal mass. Diagnosis: immature teratoma. 15-24, Jun, pq

ADOLESCENCE
Adolescent alcohol use. 138, A92, nl
Compliance problems with OCs and HRT. 88-110, Apr, sy
Guiding adolescents in proper contraceptive use. 15-33, May, oa
Teenage sex. 117, Aug, et

ADRENAL HYPERPLASIA
Treating hirsutism with GnRH agonists. 36, Jun, oa

AGE FACTORS
Elderly women taking warfarin. 148-150, Sep, nl
Evaluating ovarian reserve. 97, 98, 104-108, 114, Mar, oa
How OCs affect breast disease. 156-182, May, oa
Multiple-marker screening for fetal Down syndrome. 25, 30, 34, Apr, oa
Nonsurgical management of stress urinary incontinence. 63, O92, oa
Oral contraceptives and breast cancer: any relationship? 31-40, J92, oa
Problems of treating the elderly. 138, A92, nl
Steps in evaluating the incontinent woman. 10, 12, O92, oa
Tamoxifen: special considerations for gynecologists. 55, 56, J92, oa
Twins in older women: amniocentesis detects Down syndrome. 33-44, Oct, oa
Urodynamic studies: when, what, and why. 27, O92, oa
Why more women don't get mammograms. 23-28, J92, oa

ALCOHOL DRINKING
Medication in pregnancy: minimize the risks. 60, 62, Feb, oa

ALCOHOLISM
Adolescent alcohol use. 138, A92, nl
Alcohol-dependent physician draws probation. 146-149, Nov, mu
Fat, alcohol, selenium, and breast cancer risk. 44, 45, J92, oa

ALLERGENS
Allergic disorders in infancy. 122-124, Dec, nl

ALPHA FETOPROTEINS
Early amniocentesis—how feasible? 30, Jun, gp
Interpreting abnormal MSAFP levels. 13-21, Nov, gp
Multiple-marker screening for fetal Down syndrome. 25-42, Apr, oa

AMENORRHEA
Assessing ovulatory function. 29, Sep, oa
Congenital anomalies of the mullerian tract. 46, Feb, oa
Contraception during lactation. 14, Jul, oa
Does your patient have an eating disorder? 59-72, Apr, oa
Lactational amenorrhea for contraception. 38, Apr, nl

AMINOGLYCOSIDES
Parasitic infections in pregnancy. 31, Feb, oa
Pyelonephritis. 118, May, oa

AMINOPHYLLINE
Correct responses to respiratory emergencies. 75, 76, 79, Feb, oa

AMNIOCENTESIS
Amniocentesis for twin-twin transfusion syndrome. 30-47, Aug, oa
Challenge of twin-twin transfusion syndrome. 90, 98-102, May, oa
Court permits punitive damages suit charging negligent amniocentesis. 201-202, May, mu
Early amniocentesis—how feasible? 29-30, Jun, gp
How safe is amniocentesis in twin pregnancies? 111, Jul, nl
In situ hybridization for prenatal diagnosis. 76, Jun, oa
Multiple-marker screening for fetal Down syndrome. 25-30, Apr, oa
Prenatal diagnosis and counseling for hemophilia A and B. 16, Aug, gp
Selective termination of abnormal fetus in multiple pregnancy. 73, 74, May, oa
Twins in older women: amniocentesis detects Down syndrome. 33-44, Oct, oa

AMNIOTIC FLUID
Challenge of twin-twin transfusion syndrome. 83, 100, May, oa
Clinical approach to IUGR. 49, A92, oa
Defining indications for amnioinfusion. 84-104, Oct, sy
Practical sonography—what you should see before 20 weeks. 45, Sep, oa
Safeguarding the fetus with amnioinfusion. 95-100, Jun, oa

AMOXICILLIN
How Lyme disease proceeds in pregnancy. 125-127, Mar, oa

AMPICILLIN
Group B streptococcal infections in pregnancy. 118, 120, Apr, oa
Pyelonephritis. 118, 120, May, oa

ANAPHYLAXIS
What to do in a blood pressure emergency. 59, 60, 63, Jan, oa

ANDROGENS
Medication in pregnancy: minimize the risks. 60, 67, Feb, oa
Treating hirsutism with GnRH agonists. 33-48, Jun, oa

ANESTHESIA
Advanced laparoscopic techniques in gynecologic oncology. 104, 110, 118, Sep, oa
Aspiration of a persistent palpable mass. 50, Aug, oa
Breech presentation: alternatives to routine C/S. 42, Jan, oa
Employer may share settlement. 146, Nov, mu
Epidural opioids' ob advantages. 68-74, Mar, oa
Exploring excision technique with LEEP. 84, 86, A92, sy
Recurring incontinence. 80, O92, oa
Tubal sterilization via colpotomy. 68, Feb, cd
Urethrocystoscopy and the gynecologist. 41, 42, 50, O92, oa
Ways of using LEEP for external lesions. 138, 140-145, May, sy
What to do in a blood pressure emergency. 56, 59, 69, Jan, oa
When is outpatient vaginal hysterectomy feasible? 74, Dec, oa

ANEUPLOIDY
Twins in older women: amniocentesis detects Down syndrome. 33-36, Oct, oa

ANOREXIA NERVOSA
Does your patient have an eating disorder? 59-72, Apr, oa

ANOVULATION
Assessing ovulatory function. 29-42, Sep, oa
Choosing vaginal bromocriptine for hyperprolactinemia. 52, Mar, oa

ANTIBIOTICS
Abscesses occurring after acute salpingitis. 56, 59, Jun, oa
Colpotomy vs. laparoscopy. 204, May, et
Colpotomy vs. laparoscopy. Author's reply. 204, May, et
Correct responses to respiratory emergencies. 76, 79, Feb, oa
Defining indications for amnioinfusion. 95, 96, Oct, sy
Fluoroquinolone cures bladder lesion. 210, May, nl
Gonorrhea treatment. 117, Aug, et
Group B streptococcal infections in pregnancy. 118, 120, Apr, oa
How Lyme disease proceeds in pregnancy. 124-127, Mar, oa
Interstitial cystitis: what options? 27, Aug, oa
IVF in the unstimulated cycle. 70, A92, oa
Lymphogranuloma venereum. 120, Oct, oa
Managing donovanosis. 133, Sep, oa
Mucopurulent cervicitis. 106, Aug, oa
Perihepatitis. 52, Jun, oa
PID: hard to find, but essential to treat. 28-33, Nov, oa
Postabortal infections. 144, Nov, oa
Pyelonephritis. 118, 120, May, oa
Reducing incidence of surgical wound infections. 140, Apr, nl
Septic pelvic thrombophlebitis. 110, 113, May, oa
Treatment of urge incontinence. 28, Dec, oa
Tubal sterilization via colpotomy. 74, Feb, cd
Urethrocystoscopy and the gynecologist. 50, 51, O92, oa
Use of corticosteroids for septic shock. 153-156, Jun, et
Use of corticosteroids for septic shock. Author's reply. 153-156, Jun, et
Ways of using LEEP for external lesions. 145, May, sy
What to do in a blood pressure emergency. 50, 51, Jan, oa

ANTIBODIES
Cow milk antibodies and diabetes mellitus. 157-161, Nov, nl
Roseola in infants linked to maternal HHV-6. 50, 53, Oct, oa
Why TORCH no longer sheds light. 84, 87, Nov, oa

ANTICONVULSANTS
Minimizing toxic hazards to fetal health. 93, Aug, oa

ANTIGENS
Autoimmune disorders of fetus. 206-209, May, nl
Hepatitis B infection. 74, Apr, oa

APGAR SCORE
Neonatal resuscitation: what you need to know. 98, 100, 105, Dec, oa

ARTERIES
How to assess single umbilical artery. 61-66, Oct, oa
Single umbilical artery. 9, Dec, et
Single umbilical artery. Author's reply. 9, Dec, et

ARTHRITIS
How Lyme disease proceeds in pregnancy. 121, Mar, oa

ASPHYXIA
Clinical approach to IUGR. 32, A92, oa
Neonatal resuscitation: what you need to know. 96-120, Dec, oa

ASPIRIN
Aspirin may help prevent heart problems. 121, Feb, nl
Attempts to prevent fetal growth retardation. 125, Feb, nl
IUDS: what are the pros and cons? 73, Nov, oa

AUTOIMMUNE DEFICIENCY SYNDROME
AIDS blood contamination lawsuit. 149, Nov, mu
AIDS without evidence of HIV infection. 135, Oct, nl
Confidentiality of physician's AIDS status. 141, Oct, mu
Progression of AIDS in women. 143, A92, nl
Putting AIDS into perspective. 111, Jan, et
Putting AIDS into perspective: Author's reply. 111, Jan, et
Strict AIDS notification law. 15, Jan, mu

BACTEREMIA
Antiendotoxin: what role in ob-gyn? 12, 14, Dec, oa
Gonococcal infections in pregnancy. 93, Jul, oa
Postabortal infections. 142, Nov, oa

BACTERIURIA
Pyelonephritis. 117-123, May, oa
UTI during pregnancy: it's not the same. 69-82, Oct, oa

BATTERED WOMAN
Abuse during pregnancy. 125, Aug, nl

Early amniocentesis—how feasible? 29-30, Jun, gp

CHROMOSOMES, HUMAN
In situ hybridization for prenatal diagnosis. 76-93, Jun, oa

CLINDAMYCIN
PID: hard to find, but essential to treat. 31, Nov, oa
Vaginitis update. 64, Dec, oa
Vaginitis: varying management appropriately. 26, Jan, oa

CLOMIPHENE
Assessing ovulatory function. 31-34, Sep, oa

COLPOSCOPY
Exploring excision technique with LEEP. 81-100, A92, sy
Taking a colposcopic-directed loop biopsy. 77-78, A92, oa
Ways of using LEEP for external lesions. 148, 150, May, sy

COMPUTERS
National Practitioners' Data Bank: functioning at last. 89-108, Jan, oa

CONDOMS
Dual benefits of contraceptives. 126-128, Oct, nl
Guiding adolescents in proper contraceptive use. 33, May, oa
Sponges and diaphragms decrease STD rates. 68, Jun, nl

CONDYLOMATA ACUMINATA
Ways of using LEEP for external lesions. 138-152, May, sy

CONFIDENTIALITY
Confidentiality of physician's AIDS status. 141, Oct, mu
Disclosing patients' records. 138, Oct, mu
Identifying HIV-positive blood donors. 143, Mar, mu
National Practitioners' Data Bank: functioning at last. 102, 107, Jan, oa
Woman must reveal HIV status. 146, Nov, mu

CONJUNCTIVITIS
Gonococcal infections in pregnancy. 96, Jul, oa
Ophthalmia neonatorum. 112-114, Apr, oa

CONTRACEPTION
AMA recommendations on compulsory Norplant use. 72-74, Jun, nl
Benefits and risks of long-term tamoxifen. 41, Nov, oa
Contraception during lactation. 13-28, Jul, oa
Contraceptive failure rates. 140, Apr, nl
Dual benefits of contraceptives. 126-128, Oct, nl
Essential catalyst. 8-12, May, ed
Guiding adolescents in proper contraceptive use. 15-33, May, oa
IUDS: what are the pros and cons? 68-80, Nov, oa
New and better methods of contraception. 15-26, Sep, oa
Norplant: welcome new contraceptive option. 46-60, Jul, oa
PID: hard to find, but essential to treat. 33, 35, Nov, oa
Sterilization prevalence worldwide. 152-154, Nov, nl
Teenage sex. 117, Aug, et

CONTRACEPTIVE DEVICES
Sponges and diaphragms decrease STD rates. 68, Jun, nl

CONTRACEPTIVES, ORAL
Compliance problems with OCs and HRT. 88-110, Apr, sy
Contraception during lactation. 28, Jul, oa
Does your patient have an eating disorder? 64, 66, Apr, oa
Guiding adolescents in proper contraceptive use. 24-33, May, oa
Hormone replacement therapy: what risks? 90, 93, 97, 102, 106, Nov, sy
How OCs affect breast disease. 156-182, May, oa
Injuries allegedly caused by birth control pill. 143-146, Mar, mu
Minimizing toxic hazards to fetal health. 98, Aug, oa
New and better methods of contraception. 16, Sep, oa
News. 122-127, Dec, nl
Norplant: welcome new contraceptive option. 46, Jul, oa
Oral contraceptives and breast cancer: any relationship? 31-40, J92, oa
RU486 as morning-after pill. 122-127, Dec, nl
Treating hirsutism with GnRH agonists. 34, 36, Jun, oa
When patients forget to take their OCs. 117, Jan, nl

CORTICOSTEROIDS
Correct responses to respiratory emergencies. 79, 85, Feb, oa
Use of corticosteroids for septic shock. 153-156, Jun, et
Use of corticosteroids for septic shock. Author's reply. 153-156, Jun, et
Vaginitis: varying management appropriately. 32, Jan, oa
What to do in a blood pressure emergency. 51, 52, Jan, oa

COST CONTROL
Campaign for care. 8-11, Feb, ed
Joint ventures under increased fire. 138, Feb, mu
Rationing plans for US health care. 110-111, Jul, nl

COST-BENEFIT ANALYSIS
Breast cancer control: methodologic difficulties analyzing costs. 35-53, Dec, oa
IVF in the unstimulated cycle. 72, A92, oa

COUNSELING
Compliance problems with OCs and HRT. 88-110, Apr, sy
Essential catalyst. 8-12, May, ed
Fetus as patient: an ethical concept. 11-22, Oct, oa
Guiding adolescents in proper contraceptive use. 15-33, May, oa
Interpreting abnormal MSAFP levels. 16, Nov, gp
Norplant: welcome new contraceptive option. 58, 60, Jul, oa
Prenatal diagnosis and counseling for hemophilia A and B. 13-19, Aug, gp
Twins in older women: amniocentesis detects Down syndrome. 33-44, Oct, oa
When is outpatient vaginal hysterectomy feasible? 74, Dec, oa
Why more women don't get mammograms. 26, J92, oa

CROHN'S DISEASE
Diagnosis and management of rectovaginal fistulas. 51, 52, 66, Nov, oa

CRYOPROTECTIVE AGENTS
Evaluating ovarian reserve. 106, 108, Mar, oa

CRYOTHERAPY
Molluscum contagiosum. 93, Dec, oa

CYSTITIS
Interstitial cystitis: what options? 23-28, Aug, oa
Urethrocystoscopy and the gynecologist. 49, 50, O92, oa

CYSTOMETRY
Recurring incontinence. 79, O92, oa
Treatment of urge incontinence. 26, Dec, oa
Urodynamic studies: when, what, and why. 25-29, O92, oa

CYSTOSCOPY
Genuine SUI: best surgical approach. 57, 58, O92, oa
Urethrocystoscopy and the gynecologist. 40, 44-50, O92, oa

CYTOGENETICS
In situ hybridization for prenatal diagnosis. 76-93, Jun, oa

CYTOLOGY
Advanced laparoscopic techniques in gynecologic oncology. 115, Sep, oa
Aspiration of a persistent palpable mass. 51, Aug, oa
Lengthening the interval between Pap smears. 82-101, Sep, oa

CYTOMEGALOVIRUSES
Protecting newborns from CMV infection. 128, Aug, nl
Why TORCH no longer sheds light. 87, Nov, oa

DELIVERY
A case of shoulder dystocia. 133-137, Feb, mu
Breech presentation: alternatives to routine C/S. 35-48, Jan, oa
Care in military hospital deemed negligent. 150, Nov, mu
Challenge of twin-twin transfusion syndrome. 88, 95, May, oa
Defining indications for amnioinfusion. 84-104, Oct, sy
Diagnosis and management of rectovaginal fistulas. 51, Nov, oa
Epidural opioids' ob advantages. 68-74, Mar, oa
Inducing the postterm patient. 125-128, Aug, nl
Injured baby case dismissed, then reversed. 98, Jul, mu

What to do in a blood pressure emergency. 50-69, Jan, oa
SEX BEHAVIOR
Having sex with patients. 136, Oct, mu
Lengthening the interval between Pap smears. 93, 94, Sep, oa
SEX PARTNERS
PID: hard to find, but essential to treat. 33, Nov, oa
SEXUALLY TRANSMITTED DISEASES
Dual benefits of contraceptives. 126-128, Oct, nl
Genital mycoplasmas. 63-66, Mar, oa
Gonococcal infections in pregnancy. 93-96, Jul, oa
Guiding adolescents in proper contraceptive use. 15-33, May, oa
How safe are IUDs? 139, Jun, nl
Lymphogranuloma venereum. 116-120, Oct, oa
Managing donovanosis. 130-136, Sep, oa
Pediculosis pubis. 110-115, Oct, oa
PID: hard to find, but essential to treat. 23-35, Nov, oa
Postabortal infections. 142, Nov, oa
Risk for genital herpes and HIV is higher in women. 116-118, Jul, nl
Sponges and diaphragms decrease STD rates. 68, Jun, nl
Therapy for rape victims. 118, Jan, nl
Trichomoniasis. 132-141, Nov, oa
SMOKING
Allergic disorders in infancy. 122-124, Dec, nl
Estrogen: what protection against heart disease? 29, Apr, oa
Smoking—still the ultimate pollution. 8-11, Jun, ed
SOCIOECONOMIC FACTORS
Guiding adolescents in proper contraceptive use. 15, May, oa
Why more women don't get mammograms. 24, 25, J92, oa
SPERMATOZOA
Effect of varicocele on fertility. 148, Sep, nl
Removing sperm antibodies. 138, Apr, nl
Superovulation and washed intrauterine insemination. 77-90, Jul, oa
SPINA BIFIDA
Decline in spina bifida rates. 152, Nov, nl
SPIRONOLACTONE
Treating hirsutism with GnRH agonists. 36, 37, 48, Jun, oa
STANDARDS OF CARE
A case of shoulder dystocia. 133-137, Feb, mu
Questions regarding standards of care. 138, Feb, mu
Standards for treating early breast cancer. 114-116, Jul, nl
Utilization review: what's the impact on ob-gyn practice? 61-67, Jun, oa
STAPHYLOCOCCUS AUREUS
Ophthalmia neonatorum. 113, Apr, oa
STAPLERS, SURGICAL
Absorbable stapler. 114, Jan, et
Absorbable stapler. Author's reply. 114, Jan, et
STATISTICS
Compliance problems with OCs and HRT. 88-90, 98, Apr, sy
Estrogen: what protection against heart disease? 13-30, Apr, oa
Geographic incidence of breast-conserving surgery. 119-122, Aug, nl
Multiple-marker screening for fetal Down syndrome. 25-42, Apr, oa
National Practitioners' Data Bank: functioning at last. 100, Jan, oa
STERILIZATION, SEXUAL
Sterilization prevalence worldwide. 152-154, Nov, nl
STERILIZATION, TUBAL
Colpotomy vs. laparoscopy. 204, May, et
Colpotomy vs. laparoscopy. Author's reply. 204, May, et
Tubal sterilization via colpotomy. 68-74, Feb, cd
STEROIDS
Multiple-marker screening for fetal Down syndrome. 25-42, Apr, oa
New and better methods of contraception. 19, Sep, oa
Steroid receptors: what gyn surgeons need to know. 103-122, Jun, oa
Steroid receptor assays. 122-125, Oct, et
Steroid receptor assays. Author's reply. 122-122, Oct, et
Vaginitis update. 70, Dec, oa
STREPTOCOCCAL INFECTIONS
Group B streptococcal infections in pregnancy. 116-120, Apr, oa
SUBSTANCE ABUSE
Fetal drug abuse cases result in split rulings. 198, May, mu
Forcing medical treatment on pregnant women. 136, Oct, mu
Syphilis rise calls for accurate diagnosis. 56, Mar, oa
Unconventional drug addiction. 126, Oct, nl
SUICIDE
Michigan suspends "suicide" doctor. 11, Jan, mu
SULFONAMIDES
UTI during pregnancy: it's not the same. 74, Oct, oa
SURFACTANTS
Surfactant replacement therapy. 110, Jul, nl
SURGERY
Advanced laparoscopic techniques in gynecologic oncology. 103-118, Sep, oa
Calcification patterns after mammoplasty. 122, Feb, nl
Choosing vaginal bromocriptine for hyperprolactinemia. 49, Mar, oa
Congenital anomalies of the müllerian tract. 49, 53, Feb, oa
Conservative or radical treatment for cancer? 65-71, J92, oa
Diagnosis and management of rectovaginal fistulas. 51-66, Nov, oa
Diaphragm catheters for vesicovaginal fistula management. 45-46, A92, oa
Exploring excision technique with LEEP. 81-100, A92, sy
Failure to obtain informed consent. 126, Feb, mu
Genuine SUI: best surgical approach. 53-61, O92, oa
Geographic incidence of breast-conserving surgery. 119-122, Aug, nl
How GnRH agonists facilitate fibroid surgery. 55-65, Aug, oa
Look before you LEEP. 6, A92, ed
Managing donovanosis. 133, 136, Sep, oa
Minimizing danger of iatrogenic ureteral injuries. 93-100, Feb, oa
Nonsurgical management of stress urinary incontinence. 76, 77, O92, oa
Recurring incontinence. 79-81, O92, oa
Repairing vesicovaginal fistulas. 128-130, Oct, nl
Right course on breast implants. 8-11, Jul, ed
Septic pelvic thrombophlebitis. 113, May, oa
Setup for operative laparoscopy and videolaseroscopy. 49-64, A92, oa
Some new approaches to ectopic pregnancy. 35-70, May, oa
Steroid receptors: what gyn surgeons need to know. 103-122, Jun, oa
Steroid receptor assays. 122-125, Oct, et
Steroid receptor assays. Author's reply. 122-122, Oct, et
Surgical prevention of ovarian cancer. 66-78, Aug, oa
Tamoxifen: special considerations for gynecologists. 54, 55, J92, oa
Treating uterine fibroids with GnRH agonists. 65, 69, Jul, oa
Treatment options for early breast cancer. 74-75, Jun, nl
Urodynamic studies: when, what, and why. 27, 30, O92, oa
When is outpatient vaginal hysterectomy feasible? 73-80, Dec, oa
SURGICAL EQUIPMENT
Setup for operative laparoscopy and videolaseroscopy. 49-64, A92, oa
SURGICAL INSTRUMENTS
Advanced laparoscopic techniques in gynecologic oncology. 103-118, Sep, oa
Exploring excision technique with LEEP. 81-100, A92, sy
Interstitial cystitis: what options? 28, Aug, oa
Laparoscopic devices. 9, Dec, et
Laparoscopic devices. Author's reply. 9, Dec, et
Setup for operative laparoscopy and videolaseroscopy. 49-64, A92, oa
Tubal sterilization via colpotomy. 68-74, Feb, cd
Ways of using LEEP for external lesions. 138-152, May, sy
SUTURES AND SUTURE TECHNIQUES
Absorbable stapler. 114, Jan, et
Absorbable stapler. Author's reply. 114, Jan, et
Genuine SUI: best surgical approach. 55-57, O92, oa
Minimizing danger of iatrogenic ureteral injuries. 98, Feb, oa
Repairing vesicovaginal fistulas. 128-130, Oct, nl
Setup for operative laparoscopy and videolaseroscopy. 50, A92, oa
Tubal sterilization via colpotomy. 74, Feb, cd
SYPHILIS
How Lyme disease proceeds in pregnancy. 126, Mar, oa
Syphilis rise calls for accurate diagnosis. 56-60, Mar, oa
TAMOXIFEN
Added benefit to adjuvant tamoxifen. 135, Oct, nl
Adjuvant therapy enhances survival in early breast cancer. 209-210, May, nl
Benefits and risks of long-term tamoxifen. 37-48, Nov, oa
Effect of tamoxifen on bone mineral density. 206, May, nl
Node-negative breast cancer patients—a growing group. 26, 28, Oct, oa
Tamoxifen: special considerations for gynecologists. 50-61, J92, oa
TAMPONS
Nonsurgical management of stress urinary incontinence. 66, O92, oa
TECHNOLOGY, MEDICAL
Clinical implications of neurofibromatosis gene locations. 103-120, A92, oa
Diaphragm catheters for vesicovaginal fistula management. 45-46, A92, oa
Exciting news from the ultrasound front. 8-11, Aug, ed
Exploring excision technique with LEEP. 81-100, A92, sy
From high tech to high touch. 8-11, Sep, ed
How ultrasound enhances the bimanual exam. 102-119, Feb, oa
Human genome project: what it means for ob-gyn. 127-137, May, oa
Impeding the progress of technology. 111-114, Jan, et
IVF in the unstimulated cycle. 67-74, A92, oa
Look before you LEEP. 6, A92, ed
Multiple-marker screening for fetal Down syndrome. 25-42, Apr, oa
New clinical lab regulations. 117, Aug, et
Practical sonography—what you should see before 20 weeks. 44-68, Sep, oa
Reducing the threat of ectopic pregnancy. 6-9, Nov, ed
Setup for operative laparoscopy and videolaseroscopy. 49-64, A92, oa
To everything there is a season. 153-156, Jun, et
Ways of using LEEP for external lesions. 138-152, May, sy
